

## Online accounting software

Xero provides the tools and human touch to manage all elements of your business accounting.

Now you can automate important tasks or partner with your Xero advisor to manage your books. You'll save time and get paid fast, giving you more time to focus on what matters most: your business.

@Xero makes my accounting needs so quick and easy. Thanks!

Rochelle Harrison

I freakin love how stream-lined and easy it is to reconcile and complete a tax return with @Xero! Especially on their mobile app.

## Reasons to love Xero

Discover what you can do with the power of Xero

### Full financial dashboard

It's easy to track bank balances, invoices, bills, expense claims, and more with a click. Enjoy the data and insights you need on your schedule.

### Real-time cash flow monitoring

Once you link Xero to your bank account, you can import and categorize bank statements automatically for a real-time update of your cash flow.

### Reporting

The Xero Reports Center spotlights over 40 reports – which allows you to customize, track and compare against any number of variables. Xero delivers the information you need to make better-informed decisions.

### Online invoicing

Time to put a stop to paper and chasing after late payments. Use Xero to automate online invoices with reminders. Even accept online payments to help you get paid faster.

### Inventory management

Xero reduces manual data entry and speeds up quoting and invoicing. You can track the quantities and value of your current inventory.

### Add to your plan

Gusto full-service payroll

Gusto delivers payroll solutions across all 50 states and includes time-saving features like automated payroll filings and tax payments.

## Xero and you

Simplify your accounting and streamline your business

### Partner with your advisor

You and your Xero advisor can work on the same updated data in real-time, including account details, reports, and more.

### Customize your Xero experience

Seamlessly integrate over 800 apps, from industry-specific tools to popular solutions for point-of-sale, time tracking, ecommerce, and more.

### Love your business even more

Xero migrates your current accounting software for free – and also works with banking partners to improve security and efficiencies.
